

Course Policies

I. Class Rules

- a. Students must be in their seats and ready to learn when the tardy bell rings.
- b. Students are responsible for having their materials for class each day.
- c. Students must remain in their seats quietly unless working in groups.

II. Grading Scale

- a. The grading scale listed below has been set by the McNairy County School System. It is as follows...

GRADING SCALE				
A	B	C	D	F
93 – 100	85 – 92	75 – 84	70 – 74	0 – 69

- b. Extra credit projects are available periodically throughout the year. Students should monitor their own progress and if they need extra points should take advantage of these opportunities.
- c. Extra credit is meant to be extra, so students missing more than 10% of their other assignments will not be permitted to participate.
- d. While it is not directly graded, attendance can have an impact on your grade. If you are absent, you have to play catch-up.

III. Additional Regulations

- a. Make up work will be allowed for those students who have excused absences. Students have 3 days after returning to school to complete missed assignments. Any extensions will be given upon teacher discretion and it is the student's responsibility to get and make up the work they have missed. This includes test, quizzes, homework assignments, and class notes.
- b. Cheating is forbidden. Students caught cheating will not receive credit for the given assignment, quiz, lab experiment, or test.

Students are responsible for bringing the following materials to class each day.

I. Chemistry Students

1. Pen and Pencil
2. Periodic Table – Downloaded at www.mrwood.org
3. Notebook
4. Scientific Calculator
5. Textbook
6. Ruler (Optional)
7. Graph Paper (Optional)

II. Algebra I Students

1. Pencil
2. Notebook
3. Scientific Calculator
4. Textbook
5. Graph Paper/Engineering Paper
6. Ruler (Optional)

III. Physics and Principles of Tech Students

1. Pencil and Pen
2. Notebook
3. Graph Paper/Engineering Paper
4. Textbook
5. Scientific Calculator
6. Ruler
7. Periodic Table – Download at www.mrwood.org
